

**University at Buffalo Alumni Association
Athletics Hall of Fame
General Application**

Each year the UB Alumni Association honors a select group of UB athletes from intercollegiate and club teams, and UB athletic professional staff with election to the UB Athletic Hall of Fame. These honorees are permanently recognized on the Dr. and Mrs. Edmond J. Gicewicz Family Athletics Hall of Fame in Alumni Arena and form a continuing reminder of the importance of athletes and athletics to the university and its students, faculty and alumni.

The Nomination process:

The UB Alumni Association Athletic Committee makes the final selection of Athletic Hall of Fame members from the nominations received.

Please complete the nomination form below and provide all supporting documentation such as published information on previous awards or statistics that will confirm the nominee's achievements. The Division of Athletics and the University Archives may also contain data from UB records if applicable. Testimonial letters are helpful only when they provide documentation of specific athletic honors that cannot otherwise be verified.

The Athletic Committee reviews only submitted materials so nominations should be as complete as possible. Note: There are no automatic carry-over nominations; nominations must be resubmitted each year.

Judging criteria:

Following is a sample of the data the committee takes into consideration when judging the merits of a nominee. Please note, it is for reference only and is provided here to help you determine if your nominee meets those requirements.

- UB team captain
- UB team MVP
- Member of an All-Tournament team
- 1st Team All-Conference selection
- Conference champion in an individual or team sport

- Selected as an All-American, or first team regional All-American
- Top three finish in an NCAA championship
